Friends of Dard Hunter 2009 Annual Meeting  
October 15-18, Atlanta, Georgia

## Friends Introduction with Pictures on CD

Last year Sally Rose produced a spectacular CD of images of our members and their work that was used for introductions at the opening of the meeting. By popular demand we ran it at the breaks as well. Many attendees wanted a copy to share the great work being done by the Friends. We weren't prepared to do that last year, but we are prepared this year. The drill will remain the same, but we are asking that in addition to providing us with an image of yourself and your work, you give us permission to duplicate the CD and distribute it among the membership of the Friends of Dard Hunter. Click on Release Form for an interactive PDF form.
