

A call to Friends of Friends!

The Friends of Dard Hunter invite you to participate
in the 2010 Member's Exhibition & Sale

THROUGH THE WOODS

Tucked away in Gatlinburg Tennessee, Arrowmont School of Arts and Crafts is not quite "Grandmother's House." However, the surrounding area holds a unique blend of nature and wildlife, hikers and vacationers.

Wooded regions, mountain areas and forests bring to mind a number of diverse histories ranging from mythic to scientific. We invite you to meditate on this theme and create 1-2 works of art for inclusion in this exhibit.

Each piece should be no larger than 8.5" x 11" in size (22 x 30 cm). All pieces must include handmade paper, but may also include other media or techniques. Works may have either a "portrait" or "landscape" orientation.

Similar to how we organized the exhibition in Hawaii, we ask that all artworks submitted be available for sale, priced at \$35 each. Proceeds from sales will go toward the "Friends Endowment Fund." Any work that is not sold will be donated. Works will be collected during registration at the conference.

If you wish to participate but will not be attending the conference, please send your completed works no later than **October 10th** to:

FDH
P.O. Box 2450
Springfield, IL 62705

Please note in your registration packet if you plan to participate in this exhibition and sale. If you plan to participate, but will not be attending the conference, please e-mail Veronica Siehl, as listed below.
